Auditor's Report

1. Report on the Financial Statements :

We have audited the accompanying financial statements of "GOVERNMENT POLYTECHNIC MADHEPURA -SELF FINANCING COURSE (IRGS)" for the year 2024-25, which comprise the Receipt & Payment Account, Income & Expenditure Account and Balance Sheet. The preparation of the Financial Statements is the responsibility of Management. Our responsibility is to express an opinion on these financial statements based on our Audit.

2. Management's Responsibility for the Financial Statements :

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in India. This includes the design, implementation and maintenance of internal control relevant to the preparation free from material misstatement, whether due to fraud or error.

3. Auditor's Responsibility for the Financial Statements :

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audit in accordance with auditing standards generally accepted in India. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the Auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a reasonable basis for our audit opinion.

4. Opinion :

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion .

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give a true and fair view in conformity with the accounting principles generally accepted in India :

- In the case of Receipt & Payment Account of Government Polytechnic Madhepura – Self Financing Course (IRGS) for the year ended 31st March 2025.
- In the case of Income & Expenditure Account of Government Polytechnic Madhepura – Self Financing Course (IRGS) for the year ended 31st March 2025.
- In the case of Balance Sheet of Government Polytechnic Madhepura – Self Financing Course (IRGS) for the year ended 31st March 2025.

In our Opinion proper books of Accounts as required have been kept by the college so far as appears from our examination of those books.

5. Acknowledgements :

We Convey our thanks to the personals of the college for their co-operation extended to us.

6. Observation & Suggestion (Cash Payments)

Observation:

During the audit, it was observed that cash payments have been made frequently, including for high-value transactions. Under Section 40A(3) of the Income-tax Act, 1961, any business/professional expenditure paid in cash exceeding ₹10,000 to a person in a day (₹35,000 for payments to goods-carriage operators) is liable to 100% disallowance in computing taxable income, subject to limited exceptions under Rule 6DD.

Further, for government offices and public institutions, the General Financial Rules (GFR), 2017 emphasize financial propriety, transparency, and use of banking/electronic modes for payments; cash disbursements are intended only for petty/minor expenses and within delegated financial powers, not for large payments.

Suggestion:

The concerned authority should:

Mandate account-payee cheque/NEFT/RTGS/UPI for all payments above the threshold; allow cash only for genuine petty expenses with proper vouchers and approval.

Require vendors/suppliers to provide bank details and insist on electronic settlement; maintain a cash-payment register with justification where cash is unavoidable.

Yours Faithfully
